

IMPORTANT
COVID-19 Virus update
CALMRA, March 16, 2020

CALMRA's Senior Center will now be closed March 16-March 27 or until further notice.

CALMRA's Administrative Office will also be closed through March 27th.

Non-staff members will not be permitted to visit any of our programs. This continues to include parents and other family members.

We encourage family members to use phone calls and video chats with your loved ones. We all have cell phones and email....please use these methods to communicate.

Any staff who are ill should remain home (for at least 14 days) and monitor you're your symptoms. Seek medical help if needed.

Remember: good hand washing practices, keeping hands away from your face, and social distancing (no closer than 6 feet) will help!

We will make sure any needed supplies to care for any residents who may become sick and require bedroom quarantine are delivered to the homes.

We look forward to assistance and support from everyone to care for our vulnerable residents. Thank you to all staff, Board, and family members for your cooperation and commitment to serving our folks. The CALMRA team is a strong, loving team..."We can do this!"
